

St. Thomas Aquinas Catholic School

Supply Lists for Students

2024-2025 [Rev 6.18.24]

Teachers have met together and established some basic student supply lists in order to help you take advantage of summer sales. Please note that since some staffing and class assignment decisions will not be made until August, there may be some additional requirements given to you when the school year begins.

GENERAL GUIDELINES

Basic Supplies

The class by class summary attached provide an estimate of supplies needed at school.. Please plan to supplement supplies, if needed, throughout the year. Please also be sure your child has necessary supplies to complete homework assignments. Students are not permitted to have or use “white-out” or similar products.

Back Packs

All students in grades K-8 should have a sturdy backpack or book bag without wheels to protect their books and school supplies.

Book Covers

All hardcover textbooks must be covered all year. Book covers are available at most retail stores selling school supplies. Please do this early since books must be covered the first week of school!

Classroom Supplies

In addition to personal educational supplies, we ask each student to supply boxes of facial tissues and cleaning supplies which should be delivered to the homeroom at the **Meet Your Teacher Day** in August before school begins or the first day of school.
